

Request for Professional Consultant Services

Include only non-confidential project information in this form.

Description: Please complete this form for requesting qualified <u>consultant</u> services for an identified program need. Please send the completed form to <u>commercialization@venturewell.org</u> with the email header "[Insert Program Name] - Request for Professional Consultant Services". A request for proposal (RFP) or request for qualifications (RFQ) may be opened if necessary, depending on the details of the request and currently identified qualified <u>consultants</u> at the time of submission.
